

The Montana Health Information Management Association (MHIMA) Annual Spring meeting will be held in conjunction with HFMA this year at the Red Lion Colonial Hotel in Helena, MT, April 14-16, 2010. We cordially extend an invitation to you and your organization to participate in the vendor and exhibitor display April 14-15, 2010. **To register for the vendor exhibit, please complete the Vendor Exhibit Registration Form and the Vendor Sponsorship Selection Sheet.**

MHIMA also invites to you become a Platinum, Gold, or Silver sponsor of our association. Your sponsorship enables our association to be successful in providing education to our membership. Each level of sponsorship is afforded additional benefits. Please refer to the attached Vendor Sponsorship Guidelines for details.

The Red Lion Colonial Hotel is working closely with us to ensure fulfillment of any anticipated vendor needs. It is sure to provide you excellent opportunities to exhibit and discuss your products and services with many health information professionals and now this year HFMA professionals as well. If you need to have items shipped to the conference please send them to arrive no earlier than 3 days prior to the event.

In addition we are seeking educational speaking opportunities during our conference if you have an area of expertise that you would be interested in sharing. Please let me know as soon as possible so I can coordinate into the venue.

We extend our invitation to MGMA, AAPC and surrounding state HIM association members to attend and as stated before, HFMA professionals will also be there this year too. Our Annual Spring Meeting has the most participation by MHIMA members of any HIM event in Montana, and it will be an opportunity you will not want to miss! If you cannot attend this years meeting, your sponsorship support or door prize offering would be greatly appreciated and acknowledged during our events.

Please feel free to contact me if you have any questions about this year's convention. I look forward to seeing you in Helena!
